Order Form

For copies of photos from Padalacs Website

- 1. Payment must be complete prior to photos being available. Photos should be available within 7 - 14 days of payment being received.**
- 2. Payment options – a) Money order payable to L. M. Steinbacher; b) Direct deposit. Please contact lee@padalacs.com.au for bank account details or postal details for money orders.**
- 3. Photos can be purchased in a variety of sizes printed as per below table. Alternatively images can be purchased via email or on CD's. This allows you the flexibility to print as many photos as you want. * ****
(* Photos purchased via email or on CD's entitles the purchaser permission to make any reproductions of the photographs for personal and non-commercial use only.)
(**High resolution will be available for each image unless the image has been severely cropped. Most images will produce a 8x10 photo.)
- 4. Photos must be easily identified to ensure the correct photo is developed. Please provide as much information as possible to ensure the correct photo is sent to you.**
- 5. Please complete contact details accurately so you can be contacted to query order if required.**

Cost of photos; Please select which size photo you would like or if you would like your photos emailed or placed on a CD and posted and place the corresponding letter on the order form in the "Order No." box below.
